Not for Children

Not tested on living beings

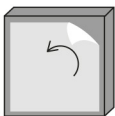

Made for decor, not tested for other purposes

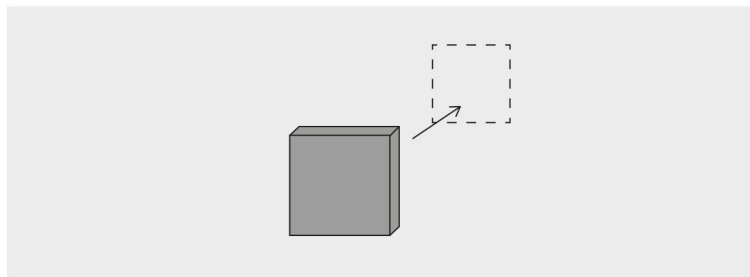

Keep in mind: magnets do not stick to rugged surfaces. Before mounting your product even the surface properly. The smoother the surface, the better magnet holds to it.

ON A FLAT SURFACE

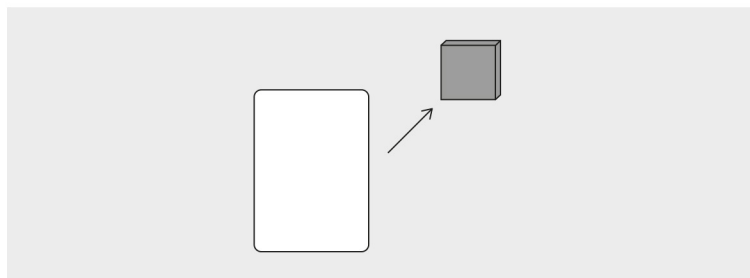

1. Peel off the foil from the magnet

2. Stick the magnet to the surface

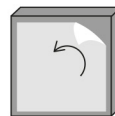

3. Hang the metal card

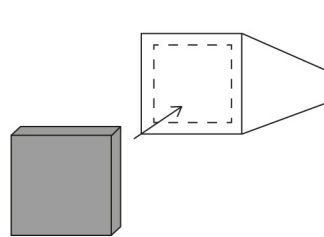

ON A STAND

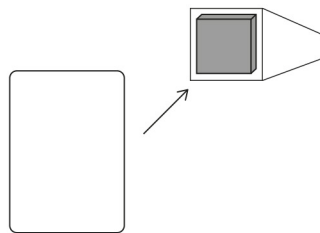

1. Peel off the foil from the magnet

2. Stick the magnet to the stand

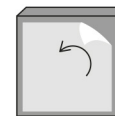

3. Attach the stand to the metal card

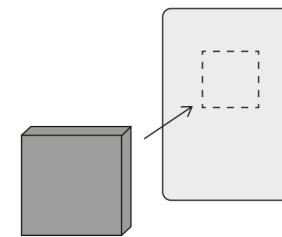

ON METAL

1. Peel off the foil from the magnet

2. Stick the magnet to the metal card

3. Attach the metal card to the metal surface (ex. fridge)
