PIXPLATE + BLACK BOX

Displate

Hanging instructions

1. Peel off the foil from the magnet(s).

2. Stick magnet(s) to the surface.

For M, XL: place the magnet in the middle of the plate.

For L place one magnet at the top of the plate and a second one at the bottom.

5. Overjoyed with your new decor?
Share your results!
#displate #displayyourself

3. Press it firmly for 20 seconds.

4. Hang the Displate

Congrats, you've just decorated your home!

SAFETY

Not for children 0-3

Not tested on living beings

Made for decor, not tested for other purposes

M, XL Displates are sent with one magnet. L Displates are sent with two magnets. Please keep the following in mind: do not stick the magnets to uneven surfaces. Choose a clean, degreased and dry one. The smoother the surface, the better the hold.
